DOI [10.1016/j.cell.2011.07.027](https://doi.org/10.1016/j.cell.2011.07.027)

(Cell 146, 222–232; July 22, 2011)

In the Highlights section of the above article, the word “reptation” was inadvertently changed to “reputation.” The correct version of the first Highlight now appears online and reads, “SSB protein migrates on a single-stranded DNA via reptation.”
